TRANSLATION ALIGNMENT REPORT

PROFILE

Location: Ahmedabad

Role: Product Designer

Experience: 5 years

Email: user@example.com

PROJECT SUMMARY

This paragraph uses two aligned source lines in the main column. Translated text stays inside the column and clear of the next section.

DELIVERABLES

1. Preserve the first baseline and left edge.
2. Keep text inside its original column width.
3. Use the available vertical space before the next section.

Status:	Alignment verified
Original position	Expected position
